5. Case Study
1. ABOUT THE ORGANISATION

Grameen evamSamajikVikasSanstha (GSVS) is a Rajasthan based nonprofit, non-political, and non-governmental organisation established in 2001 and got registered under Rajasthan society’s act 1958. GSVS is the manifestation of turbulence within the heart of seven acquaintances that internalized the pain of people leading their life in drudgery and crises. Since the inception organization has been striving for generating awareness among downtrodden section of the society towards their rights and for providing them an appropriate stand in the society.

1.1 VISION
Our vision is to educate, organize and empower the rural poor to promote development as a liberating force aimed at social justice, economic growth and Self-reliance.

1.2 MISSION
Our mission is to establish a just society, where no one remains hungry, unemployed, illiterate and exploited and to strive for self-reliance of community based organization and strengthen the capacities of people/ communities in identifying and solving their own problems.

1.3 STRATEGY
Organisation strategy is based on the belief that people have the capacity to develop themselves, if aptly facilitated. The organization will promote activities, which would lead to economic growth, education and awareness of one’s right in the society.

1.4 OBJECTIVES
Some of the key objectives of the organization are as follows:

- To provide support to the rural community especially, poor and backward communities, to organize and initiate their development process which will further help them to manage their own socio-economic development.
- To create awareness among villagers and to motivate them for self-employment, better agriculture development and animal husbandry practices.
- To create awareness among villagers and to motivate them for self-employment.
- To facilitate community for rainwater harvesting and its effective utilization within the village.
- To create awareness among parents on issues of child health, family planning and better health sanitation practices.
- To inform, educate and make people aware about how to eradicate child labour and its related disabilities.
- Liaison with other NGOs, CBOs and other networks for jointly working on common issues.
- Advocating and bringing forward the problems and the needs of the poor.
2. PROGRAM COVERAGE

The journey begins with the Ajmer district of Rajasthan and later on blowout to Bhilwara, Rajsamand, Pali, Shriganganagar & Hanumangarh covering fifteen blocks with livelihood focused intervention in Ajmer mainly in blocks like Pisangan, Masuda. Program outreach covers 50000 families and 25000 migrant populations spread across 300 villages. The organisation works with target groups like Women, Children, Migrant Labour and Unorganised Labour with a special focus on weaker section, Scheduled Caste (SC), Scheduled Tribe (ST), Below Poverty Line (BPL) population. GSVS since last fifteen years has predominantly worked in Ajmer district on major issues i.e. Livelihoods, Health, Education, Child right, Migration and Community Institution Building.

Family- 50000, Migrant- 20000, Women-3500, Children-1500

4.7 FINANCIAL CAPABILITY PROGRAM

4.8 VADANTA SUPPORTED PROJECT (Bal Shakti Aganwadi Project)

4.9 GAIL SUPPORTED PROGRAM

4.1 Migration Population Support Program

Background:

In 2009 Migration Population support program was started by GSVS to covenant with seasonal migration of rural individuals in industrial, mining and urban areas of Rajasthan. Migration is very common for people, who living in agriculture dependent areas to migrate for 4 to 8 months in a year to earn their livelihood and for sustain their day-to-day activities. Migrating population faces various issues such as accommodation facilities, risk in health, unfair trade practices, credit and identity-related issues, in the areas where they move for work.

The project is being funded by TATA Trusts Mumbai. The project aims to get their legal identity, strengthen migration based livelihoods of migrating families from Ajmer, Rajsamand and Bhilwara through awareness generation, sensitization and building capacity of the migrants towards self-reliance and lead a life of dignity before, during and after migration based on decisions that are unexploited, just and informed.
By reaching and serving migrating population through various services and migration management, the program has been a great success and has become one of the largest program of GSVS.

Objectives:

“To strengthen migration based livelihoods of migrating families though awareness generation, collectivization, skill up gradation and sensitization and building capacity of the migrants towards self reliance so that they could lead a life of dignity before, during and after migration based on decisions that are unexploited, just and informed.”

Program Activities:

♦ Shramik Sahayata Evam Sandharba Kendra (SSSK) used as a recourse centre in Masuda and Jawaja block for identity, legal and financial services and enumerating and recording migrants.

♦ To use placement cell for youths and future migrants, linkages with financial and vocational institutions, helping them in job placement.

♦ To build awareness of youth and women migrants on communicable heath diseases with the help of Para Health workers and establishing health counselling at the centre.

♦ To build awareness of migrants on bank linkages and insurance policies.

♦ To sensitize and give advocacy on issues and rights of migrants, legal advisory at various levels with the help of government officials.

♦ To help strengthen migration of migrants through awareness and sensitization on government schemes & linkages with government social security schemes to migrants and his family at source as well as destination.

Services by SSSK:
- Identification Card
- Legal Advisory
- Financial Advisory
- Employment Advisory
- Link with Social Security
**Program Coverage**

**Blocks** – 2 (Masuda, Jawaja)

**Gram Panchayats** – 66 Both blocks (Masuda -31, Jawaja- 35)

**Migrants Family** – 20000

**Occupational Groups** – Mining, Bricks, Construction, Factory, Hotels, shoe making

**Bhilwara destination** – Bijoliya (Mining Sector) & Haripura (Brick Sector)

**Program Achievements for the financial year:**

As per achievement GSVS can say after implement this project in our area we issued 21350 labor identity card with the help of GramPanchayat Sarpanch and 261 upcoming youth migrants get skill training and now they get opportunity in their sector, also we can say that total 3200 migrant who goes in construction sector they connect with welfare board so that they get benefits from Govt. in future just like insurance, maternity, child education scholarship out of registered members 564 members get benefited Rs. 48,23,913 and in legal aid service 294 payment related cases registered. 135 cases resolved of Rs. 3,465,554.

Background:

CHILDLINE has a national, 24-hour emergency outreach service that is a free phone helpline for children in need of care and protection. The CHILDLINE number 1098 is a toll free number that is common in all the cities of India.

CHILDLINE Ajmer started in July 2011 and different Non-government organization were assigned to handle different blocks of Ajmer district. CHILDLINE Ajmer responds to every child who dials 1098 and provides emergency assistance through intervention and longterm follow up.

Focus Areas:

We focus on the most marginalized children in the city which includes street children, children in domestic work, children who have been abused, child victims of the flesh trade, differently able children, child addicts, children in conflict with the law, children in institutions, mentally ill children, and children affected by HIV/AIDS, children whose families are in crisis etc.

Objectives:

- To provide a child-friendly nation that guarantees the rights and protection of all children.
- To provide emergency assistance to any child who is need of care and protection.
- To voice the concerns and issues of children to policy makers and thus advocate services for children.
Program Areas:

- Masuda
- Pisangan
- Jawaja

Program Activities:

Outreach programs:
Awareness in CHILDLINE is an integral part of the program. The primary focus is to make the 1098 number known to children and public and to show them how to use the service. CHILDLINE Ajmer has been rigorously involved in conducting outreach and awareness on a regular basis.

Open House Programs:
It is an open forum for children associated with CHILDLINE, to address conflicts; and assess, review and evaluate the service. Other information such as Mid-Day meals, nutrition, and free education for children is disseminated through these programs. CHILDLINE Ajmer has been regularly conducting Open House for children thereby having interaction with the children and understanding their problems.

Achievements:

Through CHILDLINE program, there were around 136 beneficiaries in the year 2015-16. Details of beneficiaries in different case categories are given below:

Main Activity:-

a) BCPC Formation:- Block level Child protection committee was created with the support of Childline, we were working in 3 blocks and all the blocks have BCPC now we are trying for regular meetings of this committee.

b) VCPC formation:- Village level child protection committee was created in many villages with the help of this committee, we put the local child related issues in the BCPC meeting because all the Sarpanch are members of BCPC.

c) Ajmer Child line Birthday Celebration:- Ajmer Childline birthday celebration was conducted in Masuda, Pisangan and Jawaja block through this event we try to increase the information of Childline in the interior parts of blocks in that program we try to reach a huge number of groups of children for celebrate Childline birthday and during this program school teachers are also interested to know about Childline.

d) Labour Day celebration:- Labour day celebration was conducted in Jawaja block in that we try to create awareness on child labour related issues and what are the laws for the prevention of child labour in that activity so many labours were coming the main agenda of this activity to create awareness on education with the help of Canopy we reached with the large numbers of labourers.

e) Activity with children’s groups: - We have made 5 Children groups and the children group members are very actively taking with other children’s on child related laws. We conducted theme Based Activity for increasing interest on child right. During this year we have reformed the child group because some students were passing out from school so we recreate the interest group with new members.

f) Child Marriage awareness activity:- On the occasion of of AKHA TEEJ we try to create awareness on child marriage with the help of Film shows, and interaction with individuals. Mainly we focus on School going girls. In that activity we invite local leaders to increase awareness in the community.

g) World against child labour day:- World against child labour day celebration was conducted in Jawaja in that activity we focused on NREGA sites because in that sector most of the women were coming, here we made discussion with them about the education of children as it was a very important element in today’s world. With the help of local leaders we create awareness on child labour issue.
h) International Day of Girl Child:-- Through the international day of girl child day celebration, we try to increase knowledge in Child right in schools. We focused on girl education and importance of girls in society we made discussion on that issue and create awareness on girl’s education and other rights of girls.

i) School Awareness program: -This program was conducted in various schools for awareness on child rights and increase information about Childline in that year we focused on Child rights club which is compulsory in every school with that group we create an active children group to discuss on child related issues.

j) Science Club (Masuda):- With the help of Pratham education foundation we create awareness on Childline Pratham education foundation run so many science groups in various schools so we connected with groups and large number of groups aware about Childline.

k) Liasioning with local media:-- In that year we focusing on local media to aware local people on child related issues. Local media is now support us on child related issue.

l) Networking with Govt. Officials:-- We are working in 3 Blocks of Ajmer district in every block we connected with govt. officials we regularly visit on SDM office, Tahsildar office, Pradhan office, education department health department. With the help of networking visit we can solve so many cases.

News Cutting:
4.4 Equine Welfare Program

Background

Equine Welfare program working in 6 Blocks and urban Area of Hanumangarh and Shriganganagar District with 3000 equines by GSVS with the help of THE Brook India, New Delhi

Objectives

The main objective of this program is Continues equine Welfare through Awareness on Good management practices, protection from diseases and free treatment for poor equine owners. Equine welfare groups forming for linkages with stack holders.

Activities:

Case Study

I/A Story on Child Marriage

Case: Child Marriage

Place: Casa ka Badiya, Masuda

Case Id: AJME 5779, 5721, 5783, 5785

A brief Description about the case: One day a child marriage was going on in the village CASA ka Badiya of Masuda block and a case was registered in Collab. As per the case was registered, we inform the police and local leaders of that village, so that they can reach there before we reached and stop the child marriage. When our Childline team had reached there, we found that three girls, who are under Eighteen were getting married and all the members of their family involved in it, where the rituals of marriage was being practice.

Result: With the help of the local leaders and the police officers we had stopped the child marriage and also take the words of their parents and the Sarpanch in a written form that they will not practice the child marries.
Migration Card work as a support among the Migrant labour

Name: Sukh Dev Luhar

Father’s Name: Maghu Luhar

Age: 28 year

Education: Literate

Address: Gram: Bhagawanpur, Post: Honutia, Tehsil: Masuda, District: Ajmer

Migrant Card No. : RJAJM04565

Family Information: Sukh Dev has belonged to a poor family, where he sustains his daily needs in an economically poor condition. His daily needs were anyhow complete as he is suffering from lack of financial inclusion, that is the reason he migrant to the other city.

Due to Migrant Card, he had liberated from the police chase: This story is about the migrant labour Sukh Dev along with his migrant friends. As they were working on electrical site in the Gram sector in Porbandar, Gujrat; where the wire had shattered in the road site and two youth pass by that road with two-wheeler and fall down in the road, from that wire, they got injured. The incident was happened due to the negligence of the Contractor as their was unrestrained work was going on without any work progress caution. After that incident, the two youths beaten the Sukh dev and his friends, as they are working there and they did not even get the chance to talk about the incident and take them to the nearby Police station.

At the Police Station, while the Police Officer had interrogated with them, they had asked for shows the Identity proof of Sukh Dev, at that time the Sukh Dev show his Migrant Labour Identity Card. As the police officer had seen the identity card of the labour, he changed dis intervention attitude and in the end, they said that it was the contractor’s fault that he had to seize the notice board at the worksite.
**In the End:** Sukh Dev and his friends had left them by the police and their contractor had summoned. Sukh Dev tells us that if they don’t have that migrant labour card with him, perhaps it would be difficult for him to prove as a migrant labour. Even he suggests the other migrant labour to visit the Sharmik Sahayeta evam Sandarbh Kedra and make labour migrant card, and also give vote of thanks to the centre.
